WHAT'S THAI TAPAS?

Thai tapas refers to small, shareable Thai dishes offering diners a chance to try a variety of dishes in one meal, in spired by the Spanish concept of tapas, which are bite-sized side portions meant for communal dining.

Our concept revolves around small, shareable plates, allowing diners to explore a variety of flavours and textures in one sitting. The menu present bite-sized versions of beloved dishes such as Pad Thai. Ingredients like lemongrass, chilli, & kaffir lime feature prominently, offering an authentic taste of Thailand. All food in this menu is small plate & it will be served together at the same time like Thai dining culture.

CRAFT THE PERFECT MEAL

To get a variety of tastes, we recommend 2-3 Thai tapas per person to share between you and mix & match flavours 'Spicy, Tangy, Sweet, and Savoury' dishes. Round out your meal with a side of Thai Jasmine Rice or Sticky Rice to complement the bold flavours. If you'd like extra spicy as Thai, please let us know.
